Application Instructions

PART 1. PORTLAND CHILDREN’S LEVY AND FUNDING PRIORITIES

Introduction to the Portland Children’s Levy (PCL)

The Levy is a City of Portland initiative that generates approximately \$23 million annually through a property tax of \$0.4026 per \$1,000 assessed valuation. Portland voters created the Levy in 2002 and overwhelmingly renewed it for the fourth time in Spring 2023. The current Levy runs July 2024 through June 2029.

PCL goals are:

- Prepare children for school.
- Support children’s success inside and outside of school.
- Eliminate racial and ethnic disparities in children’s well-being and school success.

Portland Children’s Levy operates a competitive grant process at least once during each 5-year levy. PCL funds services in the following 6 program areas: early childhood, child abuse prevention & intervention, foster care, after school, mentoring, and hunger relief.

PCL’s 5-member Allocation Committee makes grant funding decisions during public meetings. Committee members include one City of Portland Commissioner, one Multnomah County Commissioner, one representative of the business community and two citizens with expertise in children’s issues.

Background Data on Funding in Hunger Relief

In the 2019-20 competitive funding round, PCL allocated \$7,307,975 over 3 years to hunger relief programming. 11 applicant organizations requested \$9,136,051 for 12 programs (\$1.25 requested for every \$1 available). Of the 12 applications considered for funding, 11 received grants between 40% and 100% of funding level requested. On average, the 10 successful applicant organizations received 82% of their grant requests. In fiscal year 2023-24, hunger relief annual grants ranged from \$83,758 to \$797,178.

Development of Funding Priorities 2023-24

PCL hired Camille E. Trummer as the lead consultant to design and conduct the community engagement process to inform the 2024-25 funding round. Consultants focused on engaging a diverse range of community members to understand priority community needs. PCL's Community Council relied on these results to create funding priorities for each program area. The full [Community Engagement Report](#) and a summary of [all funding priorities](#) can be found on the PCL website.

Hunger Relief Funding Priorities

Applications for hunger relief funding **must** address at least one of the funding priorities shown below. Scoring criteria favor applications that include the program features. Applicants can find the scoring criteria on pages 37-42.

The following program services, which are designated as eligible for PCL funding, were highly prioritized in PCL's community engagement process.

Program Services Eligible for PCL Funding: Applicants for funding must provide at least one of these services and may provide more than one.

1. Food pantries offered at community locations.
2. Food pantries at schools.
3. Free groceries and/or ready-to-eat meals delivered to families' homes.
4. Classes for children and families on nutrition, cooking, and/or gardening.
5. Access to gardens for families to grow food.

Program Features: Community engagement also indicated that families value programs that have the following features. Applicants are not required to have these features to be eligible for PCL funding; however, programs with these features may score more highly.

- A. Offer culturally specific foods.
- B. Access to food grown and sold by people of the same culture as the family.
- C. Provide families with the option to select the food they want.
- D. Increase access and awareness of financial assistance programs to cover the cost of food and basic needs, including household and hygiene needs.
- E. Focused outreach to mothers for prenatal and postnatal nutrition support and nutrition education, and resources such as diapers, formula, and other home hygiene needs.

- F. Digital outreach and education methods for nutrition education, such as social media or other virtual methods.
- G. Access to a community kitchen for cooking resources or access to kitchen appliances.

Community Engagement Demographic Results

Community engagement participants, across different demographics, prioritized particular services. The demographics of those participants are listed in italics under the service below. If no demographic groups are listed under a service, there was no significant difference in prioritization between demographic groups. This information is provided as additional context for potential applicants for PCL funding in the program area.

1. Food pantries offered at community locations.
Single parents/caregivers, participants in households earning between \$25-75K annually, and parents/caregivers of youth ages 19-24.
2. Food pantries at schools.
Latino/x/e participants and participants with a preferred language of Vietnamese.
3. Free groceries and/or ready-to-eat meals delivered to families' homes.
African American/Black and American Indian/Alaska Native participants, participants with a disability, parents/caregivers of a child with a disability, single parents/caregivers, and teenage parents.
4. Classes for children and families on nutrition, cooking, and/or gardening.
Participants with preferred languages of Nepali, Russian, and Somali.
5. Access to gardens for families to grow food.
Middle Eastern/North African participants; participants with preferred languages of Somali, Russian, and Nepali; and participants in a household earning less than \$75K annually.

PART 2. FUNDING REQUIREMENTS

A. Available Funding and Size of Grants

1. A range of \$9.4 million to \$11.3 million in funding will be available for a 36-month period.
2. Maximum grant allowable is up to \$2.5 million per application.
3. Applicants must request a minimum grant of at least \$300,000 and propose a year-one budget of at least \$100,000.
4. An organization's total annual PCL grant request(s) cannot exceed 30% of the organization's revenues in its last closed fiscal year.

B. Applications must be for a program providing services that address one or more of the program area funding priorities.

1. Organizations may submit multiple applications in a single program area, and/or multiple applications in different program areas.
2. A single application must address only one PCL program area and at least one funding priority in that program area.
3. Applicants may not request that a single application be considered for funding in more than one program area even if the program addresses funding priorities in multiple program areas. PCL staff may recommend to the Allocation Committee that the application be considered in a different program area than the program area selected by the applicant, and the Committee has discretion to do so.

C. Eligible Service Population

Proposed programs must directly serve children and/or youth ages birth – 18, and their families.

All children and families to be served with PCL funding must live or go to school within City of Portland boundaries. See a [map with zip codes](#) and a [map with detailed street and school locations](#) for reference.

D. Duration of Investment

PCL funding is available for 36 months beginning July 1, 2025 and ending June 30, 2028.

E. Eligible Applicants

Non-profit corporations 501(c)(3), local education agencies, community colleges and universities are eligible to apply for PCL funding.

Partnerships or collaborations of multiple entities must designate a lead entity to apply for funding, and if funded, take responsibility for reporting and billing. The lead entity may subcontract with partners to deliver portions of the proposed program.

Applicant organizations must have at least \$750,000 in annual revenue in the last closed fiscal year to be eligible to apply.

F. City of Portland Rules and Guidelines

Funded organizations will be required to follow City of Portland Equal Employment Opportunity hiring guidelines and contracting rules, provide proof of insurance for general liability, automobile, abuse and molestation, and workers compensation and provide additional assurances as required by PCL staff.

PART 3. APPLICATION COMPONENTS AND SUBMISSION

A. Application

Applications must be submitted in [WebGrants](#), the City of Portland’s grant management system. **Applicants must register as users in WebGrants by October 21, 2024** to be eligible to apply. Registration Information can be found on the [Grant Applications webpage](#). To request ADA accommodations or submit questions, please email info@portlandchildrenslevy.org.

The Application is comprised of five steps to complete in WebGrants. In steps 1-4, you will enter responses to questions in the WebGrants portal. To complete Step 5, respond to the remaining application questions using the Application Narrative Template found on the [Grant Applications webpage](#). Upload the completed narrative in the WebGrants portal in PDF format. The template is formatted to meet the following requirements:

1. Your responses are in black font.
2. Your narrative is Arial font, no less than 14-point size.
3. The lettered/numbered application questions in the narrative are in blue font.
4. The document is portrait layout, margins 1” on all sides.
5. The footer shows the name of your organization and program and page numbers.
6. Each of the 3 sections (organization, program design, budget justification) in your narrative complies with page limits, including the pages with the application lettered/numbered questions in blue font.
7. Each of the 3 sections begin on a new page (as shown in the template).
8. Your responses begin on the line below the blue font question(s).
9. Your document has at least one space/return between your response and the next blue font question (as shown on the template).

B. Required Additional Materials

All applicants must submit the following additional materials with their application:

1. Annual organization-wide budgets for the current operating fiscal year, and the most recent closed fiscal year that include sources and uses of all funds.
2. If the applicant organization is annually audited, a copy of its most recent audited financial statements.

*Note: If the applicant is not annually audited, successful applicants will be required to obtain an audit by an independent auditor of the organization's most recent closed fiscal year and submit it to PCL **by September 30, 2026**. An independent audit typically costs between \$20,000 and \$30,000. PCL will reimburse up to \$15,000 for the cost of the required audit. See instructions in budget section of the application for including audit cost in the budget. Successful applicants will need to budget for the audit cost within the total grant award received.*

C. Application Submission

Submit applications in WebGrants by 11:59 pm on November 4, 2024. PCL will reject late applications.

If you do not receive email confirmation when you submit your application in Web Grants, please email info@portlandchildrenslevy.org.

If a submitted application is missing required information, PCL will notify the applicant through the WebGrants system. Applicants will have 3 business days to update the application with the required information. If the application is not corrected within 3 business days, the application will be disqualified from consideration.

PART 4. FUNDING PROCESS

A. Pre-Application Information Sessions

PCL will hold two virtual pre-application information sessions: September 19, 1-3 pm, and September 24, 10 am to 12 pm. The information session is not mandatory, but PCL staff highly encourages all potential applicants to attend one or view a recording. During the info session, PCL staff will review the application requirements, WebGrants registration process and answer questions from potential applicants. A recording of the information session presentation will be posted at www.portlandchildrenslevy.org.

B. Questions and Answers about the Application and Funding Process

PCL welcomes all potential applicants to submit questions via email, to info@portlandchildrenslevy.org. PCL will respond individually to emailed questions by email within 3 business days. Submitted questions are also posted anonymously in a Q&A on the PCL website. PCL staff will post questions verbatim as received via email. If the question itself names the organization or program, PCL staff will not remove that reference before posting the question on the digest.

Applicants may submit questions until 5 pm on Monday, October 28, 2024. Individuals will receive final responses, and PCL will post all final questions and responses to the digest by close of business on Friday, November 1, 2024.

C. WebGrants Questions

If you need assistance or have questions about registering as a user or completing and submitting your application in WebGrants, email info@portlandchildrenslevy.org with “WebGrants” in the subject line. PCL will respond to WebGrants questions and provide assistance as soon as possible.

D. Review and Scoring by Volunteers

Volunteers will review and score each proposal between mid-November and mid-January. PCL staff recruit reviewers through extensive outreach. Volunteers have experience in PCL program areas, organizational and program management, racial equity, diversity and inclusion, program evaluation and research. Volunteers will score each proposal based on the scoring criteria included in the application materials. Each section of the application is scored for a total of 152 points per application.

2024 Application Sections and Scoring	Point Value
Steps 1 – 4 Application Forms in WebGrants	**
Step 5 Narrative Application, uploaded to WebGrants	
I. Organization	52
II. Program Design	80
III. Budget Justification	20
TOTAL	152

**** Applicants must complete Steps 1-4 for the application to be scored.**

A team of up to 5 reviewers will score a single application. PCL staff will average the total scores of all reviewers to get a total score for the application.

PCL staff will provide each applicant a copy of completed score sheets for their application in mid-February 2025.

E. Staff Funding Recommendations

After reviewers have scored applications, staff will develop at least two Levy-wide portfolios of applications for funding for consideration by PCL’s Community Council, an advisory board of 13 community members. The portfolio options given to Community Council will not include the applicant and program names. Portfolio options will be described in terms of differences in how resources are allocated between program areas and to funding priorities within program areas, application scores, priority populations to be served, new and currently funded programs and any other policy variables requested by Community Council in 2024 and early 2025 meetings. Staff will create portfolio options that:

1. Prioritize high-scoring applications.
2. Reflect priority services and populations as described in the application materials.
3. Support a diversity of organizations to serve the community.
4. Balance support between currently funded programs and programs not currently funded by PCL.
5. Consider the scale and feasibility of the proposed program in the context of amount of funds requested, the experience and expertise of the program and/or agency.
6. Consider the program cost per participant in the context of the level of service provided to participants.
7. Consider program performance as a past PCL grantee if applicable.

After Community Council meetings in early 2025, staff will draft funding recommendations based on Community Council’s recommended portfolio and any other input they provide. The Community Council will not hear public testimony at these meetings. Due to limited resources, only some applications will be recommended for funding. Staff funding recommendations will be provided to applicants and sent to the Allocation Committee for consideration in making funding decisions.

F. Testimony in Support of Application

PCL staff will provide each applicant with staff’s written funding recommendation. Applicants may submit written, audio, or video testimony in response to the recommendation and testimony will be provided to the Allocation Committee. Instructions for submitting testimony will be provided to applicants in early 2025.

G. Advocacy Limits

Applicants may not advocate to Community Council and Allocation Committee members with the intent of influencing the outcome of the funding process during the entire funding period from publication of the application on September 10, 2024 through April 2025 when final funding decisions are made.

H. Allocation Committee Funding Decisions

The Allocation Committee plans to make funding decisions in public meeting(s) no later than May 2025. Applicants will receive notification of meeting dates and times in early 2025.

The Allocation Committee will not hear public testimony at these meetings. They will make funding decisions based on application scores, staff recommendations, Community Council input, applicant testimony and policy considerations including location of services, adequacy of services to priority populations, feasibility of activities, and cost to support a balanced and integrated citywide system of services.

I. City Council Approval

The Allocation Committee’s funding decisions will then be submitted for final approval by the Portland City Council. Final funding decisions shall be made at the sole discretion of the Portland City Council. The offering of this funding does not constitute a commitment to fund by the City of Portland or PCL.

J. Public Meetings Law and Requirements

The PCL Allocation Committee and Portland City Council are subject to Oregon public meeting law (ORS Sections 192.610-690) which applies to any meeting of a quorum of a governing body of a public body. Public meetings must be publicly noticed and take place in a location that accommodates public attendance. The law does not require that the public be allowed to testify at a public meeting; the law is a public attendance law, not a public participation law. The presiding officer is authorized to keep order at a meeting and, where there will be public participation, may determine the length of time people may speak and in what order the testimony will be taken.

K. Notification

PCL will notify all applicants of the results of the selection process promptly upon the decision of the City Council. Contracts for services will begin on July 1, 2025.

Applicants selected for funding will receive written confirmation of selection. Funds will be available for use by selected projects after grant agreements with the City of Portland have been executed.

STEP 1. Applicant Eligibility Information (WEB GRANTS ONLINE)

Instructions: Answer the questions for the program proposed for this PCL grant. Limit response to 14 pages.

A. Program Justification and Community Voice (32 points)

1. Why have you proposed to do this program? In what ways was the community to be served involved in choosing and designing this program?
2. In what ways does the program design (program activities, curriculum and/or focus, and location) address the PCL program area funding priorities you selected for this application? In what ways was the population to be served involved in choosing the program design?
3. In what ways will the design reflect any program features highlighted in PCL community engagement?
4. In what ways will the program be accessible to children/families in their preferred language(s)?
5. How did you estimate the number of children/youth (or parents/caregivers) that the program will serve in Y1? How does the number to serve in Y1 compared to the numbers you estimate to serve in Y2 and Y3?

B. Equitable Outcomes (16 points)

1. How does the program use nutrition and/or quality standards to select food to provide? In what ways does the program provide foods that are culturally relevant and responsive to the children and families it serves?
2. What steps does the program take to reduce stigmatization of people accessing the program?
3. In what ways will the population served by the program be involved with evaluating its impact? In what ways will the program use evaluation results and community input to improve the program?

C. Program Staffing (12 points)

1. How will program activities be staffed, including caseloads or staff/participant ratios? How are staff supervised, including supervisor to direct service staff ratio? What qualifications are required of program staff and supervisor(s)?
2. In what ways are staff supported to receiving ongoing training in best practices? How does staff training in racial equity, diversity, and inclusion affect service delivery?

D. Outreach and Community Engagement (4 points)

What approaches will you use to ensure the program will be fully enrolled? How do you know those approaches will work with the population you plan to serve?

E. Accessibility and Inclusion (12 points)

1. How will the program be accessible and inclusive for participants with disabilities among the population you plan to serve?
2. What is at least one step you will take to continue to improve accessibility and inclusion for participants with disabilities?

F. Program Connection to Organizational Racial Equity, Diversity, and Inclusion Goals (4 points)

How does the program advance the organization's commitment to racial equity, diversity, and inclusion?

STEP 5. Narrative Application: BUDGET JUSTIFICATION (20 points)

Instructions: Explain the costs shown for your budget in Step 4. Please refer to PCL's [Grant Budget Guidance](#), pgs. 31-36, for information on allowable costs. Limit response to 7 pages.

A. Total Costs with All Sources of Funding

What is the total cost of the proposed program from July 1, 2025 - June 30, 2026? What percentage of the total cost do you request from PCL? What other funding sources will contribute toward total cost of the program and what do those funds help support in the program? Matching funds are not required, but PCL wants to understand the relationship between your funding request and the total costs for the proposed program.

B. Justification for Y1 Budget Amount Requested from PCL

Using the amount of funding you requested for Year 1 of the grant, July 1, 2025- June 30, 2026, please explain the calculations and justify the amount you budgeted.

1. Program Personnel

What is the FTE of each position budgeted to PCL and how did you estimate FTE of the position budgeted, such as caseloads or adult/child ratios, group sizes, and supervisor-to-direct staff ratios? What is the total wage/salary costs of all FTE budgeted to PCL and how did you calculate that amount? What is the total amount of tax/benefits costs for the total FTE budgeted to PCL? What taxes and benefits are included in those costs?

2. Contractor Costs

List the names of any organizations or individuals that will be contracted and paid by your PCL grant to provide specialized services in your program. What services will they provide and what is the total cost for each subcontractor?

3. Other Program Costs

What line items are included in Other Program Costs in your PCL grant? How did you calculate costs per line item, including allocated costs? (Please note that typical methods for allocating costs, depending on the type of cost, may include:

amount of FTE in the program, amount of square footage used in the program, and number of children/youth or parents/caregivers to be served in the program. In all cases, PCL expects clear methods and explanations for any allocation of costs included in the grant budget.)

4. Administration

No more than 15% of program costs (personnel + contractors + other program costs) may be allocated to administrative costs.

C. 3-year Total Request compared to Year 1 PCL Request

How does the amount requested for July 1, 2025 – June 30, 2026 relate to the total 3-year amount requested from PCL? How do the amounts budgeted for Years 2 and 3 of the grant compare to Year 1?

GLOSSARY OF TERMS

Portland Children’s Levy, an office of the City of Portland, upholds the City’s values of anti-racism, equity, transparency, communication, collaboration, and fiscal responsibility, and uses the city’s definitions for terms in its grant application. PCL has also supplemented definitions with other sources. For reference:

- **Single parent/caregiver:** a person bringing up a child or children without a partner. (Source: Oxford Dictionary)

Service Activity Definitions for PCL

PCL defines “main activities” as the majority of a program activities offered. Below are some additional definitions to help clarify terms.

- **Individual 1 to 1 Session:** an intentional in-person or virtual program activity led/facilitated by a program staff person with a single client (child/youth or parent/caregiver); is at least 30 minutes long.
- **Group Session:** more than one client receiving services together, at the same time, led/facilitated by a program staff person. A “group” could be a group of children/youth, parent/child together, or a group of only parents/caregivers.
- **Class:** a curriculum-based or skills-based educational session intentionally teaching a group of children/youth or group of parents/caregivers and led/facilitated by an instructor.
- **Series:** multiple classes of a curriculum/skills-based instruction that build on each other over time make up a series. Programs may offer more than one series. For example, a program offers a class on learning to play soccer. There are 8 class sessions in one series and each class session builds on the next to teach the skills. The same program offers a class on leadership. It has 6 class sessions that build on each other and use a specific curriculum. That program has 2 class series (soccer and leadership). Each series may have different instructors.

Scoring scale of 4 to 1. 4= Outstanding 3= Very Good 2= Satisfactory 1=Minimal

A. Program Justification and Community Voice (32 points)

Explains the community need that the program intends to address. Explains why the funding priorities selected will address that need. Describes how the population to be served was involved in identifying the need for the program.	4	3	2	1
Explains how the program activities (type, frequency, and duration) address the funding priorities selected. Demonstrates how racial equity and trauma-informed practices informed program activities for the population to be served. Explains how the population(s) to be served were involved in selecting the program activities (type, frequency, duration).	4	3	2	1
Demonstrates how the program focus and/or curriculum address the funding priorities selected. Explains how the curriculum or focus has success working with the population(s) to be served. Explains how the population(s) to be served were involved in selecting the curriculum/program focus.	4	3	2	1
Demonstrates how the location for program activities addresses the funding priorities. Explains how the location(s) are responsive to the population to be served, including convenient locations, locations that are familiar/safe and comfortable for population to be served, locations accessible for children/youth and adults with disabilities, and/or offering transportation to program locations. Explains how the population(s) to be served were involved in selecting the program location.	4	3	2	1
Explains experience and skills to serve the population with this program or similar programming. Provides examples demonstrating success providing programming with the population to be served.	4	3	2	1
Demonstrates one or more of the following program features in the program design and describes how features will be implemented and responsive to the population(s) to be served: offer culturally specific foods; access to food grown and sold by people of the same culture as the family; provide families with the option to select the food they want; increase access and awareness of financial assistance programs to cover the cost of food and basic needs, including household and hygiene needs; focused outreach to mothers for prenatal and postnatal nutrition support and nutrition education, and resources such as diapers, formula, and other home hygiene needs; digital outreach and education methods for nutrition education, such as social media or other virtual methods; access to a community kitchen for cooking resources or access to kitchen appliances.	4	3	2	1
Explains clear methods for having program activities accessible to children/families in their preferred language(s). Methods are relevant and responsive to the children/families to be served. Demonstrates actionable plan to deliver stated methods (e.g. staffing expertise, additional resources).	4	3	2	1

Provides clear and reasonable methods for estimating the number of children/youth (or parents/caregivers) to be served in Y1, such as group size, caseloads, staffing ratios, sites, or other factors. Explains how numbers to serve in Y1 compares to numbers to serve in Y2 and Y3.	4	3	2	1
---	---	---	---	---

B. Equitable Outcomes

Has and uses high standards for nutrition and quality of food distributed. Food to provide includes fresh, perishable foods. Food to provided reflects cultural considerations of populations to be served.	4	3	2	1
Describes clear strategies to reduce stigmatization of people accessing food from the program, such as location, marketing, times/days food is offered, and/or support offered to people seeking food. Strategies reflect racial equity, diversity, and disability inclusion considerations of populations to be served.	4	3	2	1
Describes methods and timeline for people served to give feedback on quality and variety of food provided, and on program activities. Explains how the methods and timelines are culturally relevant and responsive to the population to be served by the program.	4	3	2	1
Describes clear processes for how the program be accountable to the community it serves for program impact. Explains methods and timeline to use feedback and ensure clients' voice will shape this program continually.	4	3	2	1
